

Stanley, Carol June ("Judy") Wasick (June 19, 1939—July 20, 2008)

Carol June ("Judy") Wasick from Chicago was with our class for our freshman and sophomore years (1957-1959). She lived in Cleveland and Read halls and was involved in the Orchestra, Glee Club, Cosmopolitan Club and Young Republicans. Here is a photograph of her from the 1959 Cyclone.

Judy went on to get her B.S. degree from Cal Poly and her Masters degree in English as a Second Language from Fullerton State University. She then became a public elementary school teacher until her retirement in 1995.

In August 1959 she married Glen Preston Blanton, Jr., with whom she had two daughters (Sydney Lynn and Alysia Ann). Her second marriage in March 1977 was to Emilo J. Stanley, a geography professor from Yugoslavia.
