

REUNION 2022

WEEKEND SCHEDULE

JUNE 2-5

Grinnell College

DEAR GRINNELLIANS:

On behalf of the entire Grinnell College community, welcome to the 142nd Reunion Weekend!

Reunion brings together alumni and friends from all over the country, and even the world, to participate in events, discussions, seminars, entertainment, and celebrations of the people, places, and principles that make us uniquely Grinnell.

This weekend is the result of months of work by many in the Grinnell College community: alumni volunteers, staff members, faculty, and students. We especially want to express a deep sense of appreciation for our dedicated Reunion planning committees, who have worked diligently over the past year with the goals of providing you with this opportunity to reconnect with old friends and experience firsthand the Grinnell campus and community.

By returning to Grinnell for this milestone weekend, you are demonstrating your commitment to our Grinnell community. Active alumni are an essential part of Grinnell, and your involvement and dedication helps to connect students of today to a rich history and a proud tradition of excellence. We greatly value your desire to help sustain and enhance Grinnell College for each other and for all our students.

Thank you again for your continuing interest, enthusiasm, and devotion to Grinnell. We are honored to welcome you home this weekend.

Please be sure to wear your name badge at all times, as it is your entrance pass to all events and indicates to staff, students, and campus safety that you are attending Reunion.

If we have spelled your name wrong or you would like something changed on your name badge, please stop by the help desk. We are happy to make the change for you so you can more fully connect with classmates, students, faculty and staff, and other Grinnellians.

COVID-19 SAFETY AND RESPONSIBILITY

As of Tuesday, May 31, Grinnell College will shift to a modified green activity level. As a result, masks will be optional at Grinnell College during Reunion, except in the following situations:

- If experiencing COVID-19 symptoms
- If you have recently tested positive and are returning to campus following 5 full days of isolation (5 days of isolation + 5 days of masking).

Masks are recommended for:

- People who have a known exposure* to a COVID positive individual
- People who are high risk
- Alumni and their guests to campus from areas/regions of high transmission.

While masks on campus are not required, anyone may choose to wear one at any time based on individual preference, perspective, and circumstance. As Grinnellians, please be mindful and respectful of other attendees' choices.

Given the number of individuals traveling to Grinnell from around the world, we strongly encourage participants who choose to mask to wear high quality masks (KN95, N95, or surgical masks, not cloth masks). A supply of these high-quality masks will be available for you during Reunion at the registration desk.

Visit alumni.grinnell.edu/events/reunion/reunion-covid-safety-and-responsibility for a full overview of COVID-19 safety protocols and community resources.

If any time during Reunion, you feel unwell:

1. Please wear a mask and do not attend Reunion events. If you need a new mask, you can pick one up at the registration desk.
2. Test yourself. A limited supply of COVID-19 rapid test kits are available at the JRC registration desk. You can also purchase a rapid test at a local store or pharmacy; a local shuttle is available from 4 to 10 p.m. daily with stops at Walmart and Hy-Vee, among other locations. Masks are required on the local shuttle.

Have you tested positive for COVID-19 and need to isolate while you are on campus? Contact Jackie Aanes at 641-269-3216 or aaanesjac@grinnell.edu between 8 a.m. and 10 p.m.

* *Exposed/Exposure = within 6 feet or less of a confirmed positive for 15 or more minutes cumulative within a 24-hour period and both individuals are unmasked.*

**The Arc of the Grinnell Attitude
in Our Lives**

Meet in the HSSC atrium

**This event is exclusively for
the 50th Reunion Cluster.**

Many of us remember Martin Luther King's address to the Grinnell community that spoke to social justice, engagement with things that matter, the interconnectedness of life, and the courage to make a difference. It included King's memorable passage that "the arc of the moral universe is long, but it bends toward justice." That speech connected at a broad level with the "attitude" that legendary Grinnell president John H. T. Main believed went hand-in-hand with the Grinnell education — a sensibility to go into the world to lead active, curious, and purposeful lives. How has the Grinnell sensibility played out in your life? Join fellow 50th Reunion classmates for a special discussion of these topics. Meet in the HSSC atrium to draw an assignment for your room.

Current Exhibition

Sustaining Vision: Recent Gifts and Purchases for the Museum of Art Collection.

The art collection of Grinnell College has been growing since the institution's early days. The uncertainty of the past three years has had little impact on this expanding diversity and growth. In the visual arts, as in the human creative impulses at their heart and in the heart of every Grinnellian, the supply chain is not an issue.

In honor of the classes of 2020, 2021, and 2022, and in embrace of the many classes of faithful and generous alumni returning this summer for long-delayed reunions, we are proud to present this exhibition of the most recent additions to our collection.

Join Us for A Night at the Museum!

Join us on Saturday, June 4, from 7 to 8:30 p.m., for an exclusive, intimate look behind the exhibitions at the Grinnell College Museum of Art, from new exhibit designs to curriculum integration. Learn about the extensive research, innovative teaching, and creative engagement within its walls. Then enjoy light refreshments and continued conversation with museum staff in the rotunda.

Join Us at a Grinnell College Summer Picnic!

Continue the Grinnellian fun after Reunion — summer picnics return this year in 31 cities across the country!

Summer picnics are fun, casual get-togethers for Grinnellians. They are hosted by fellow Grinnell alumni and friends, along with the Office of Development and Alumni Relations. All members of the Grinnell Community — alumni, current students, incoming new students, family members, and friends — are welcome at summer picnics.

Every picnic is a bit different, but at every picnic you will find great food, meet new friends, and connect with Grinnellians from your area.

Find your best summer picnic location at alumni.grinnell.edu/events/summer-picnics.

Questions? Contact **Ashley Renstrom-Schaefer**, associate director of alumni and donor relations, at schaefer@grinnell.edu or call **641-269-9317**.
