

## Video tips for Multicultural Alumni Weekend 2019

### Step 1: Creating your selfie video

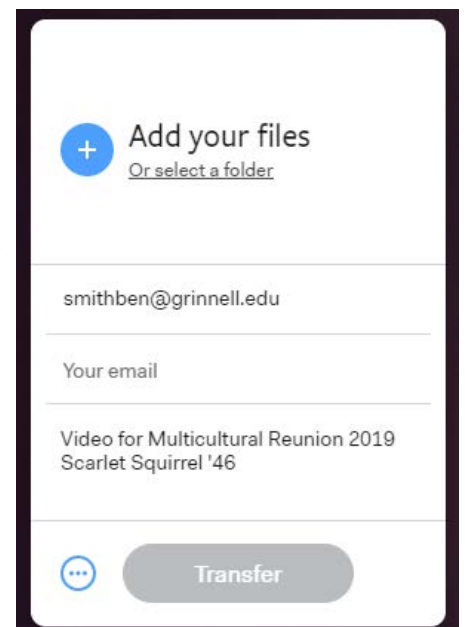

- 1) If using a cell phone, hold phone horizontally not vertically.

- 2) Try to get the camera at eye level or as close as you can.
- 3) To ensure there isn't background noise, make sure you are in a quiet area.
- 4) Find a location where you have enough light to see your face in the video and try to avoid bright backgrounds.
- 5) Keep your answer short and sweet ... 10-15 seconds is the perfect length.
- 6) Relax and Have Fun!
