

SCARLET AND GIVE BACK DAY

Student Class Giving Participation Challenge Thursday, April 5, 2018

During Grinnell's 24-hour giving day, Scarlet & Give Back Day, current students have the opportunity to make a gift in support of the day and to put their class one donor closer to achieving the highest student class giving participation percentage. The class with the highest class giving percentage for the day will have Chipotle burritos delivered to campus!

These are the guidelines that the Office of Development & Alumni Relations will follow:

- 1) Current student class years include: 2018, 2019, 2020 and 2021.
- 2) Student gifts will be credited to their official class year on record with Grinnell College.
- 3) For gifts to be counted toward Scarlet & Give Back Day, gifts must be received on Thursday, April 5, between midnight CT and 11:59 p.m. CT.
- 4) Student class giving participation percentage will be calculated using the following numbers:
 - a. Denominator: Class base as of March 30, 2018.
 - b. Numerator: Number of donors in the identified counting period.
 - c. The percentage will be taken to tenths, hundredths, etc. in an attempt to determine one winner.
- 5) Students who make a gift during the 24-hour counting period will also be counted toward the total number of donors for the day and will help unlock gifts from an anonymous alum donor.
- 6) The winning class will receive Chipotle burritos on campus during the Spring 2018 semester.
